

MONTHLY MEETING MARCH 4, 2025
CLUB RIO HOMEOWNERS ASSOCIATION, INC.

CALL MEETING TO ORDER: Meeting called to order at 6.00pm by President Denny Jameson.

PLEDGE OF ALLEGIANCE AND MOMENT OF SILENCE: Led by Denny Jameson.

ROLL CALL: Present were President Denny Jameson, 1st Vice President Tom White, 2nd Vice President Cathy Gildner, Directors Gregg Allen, Bob Karvonen, Ken Rausch, Dick Wood, Treasurer Sara Bacon and Recording Secretary Linda Bennett.

REMARKS BY TIFFANY: Tiffany advised the residents that the paper towel dispensers in the restrooms have been replaced with hand dryers. There will be a Health Fair on April 19th, which will be held in conjunction with Fun Day. There are 13 houses on order for the expansion. She will be doing home inspections, looking for the following: a clean house, does it need painted, is there clutter and are there weeds? There is a current audio/visual IT issue, for which she's requested Sun's help. She stated that she's perfectly fine with the residents doing some fact checking. There have been no permits requested or issued by the City of Edgewater. None will be issued until the work commences. Permits have an expiration date. They do not have a contract with Cove Point and won't until work starts. Cove Point is taking care of the docks, not the piers. Sun is making the boat ramp as accessible as possible without putting the workers in danger. They do not have a set date for starting the work. Supplies are no longer an issue.

GUEST SPEAKER: Eric Rainbird, candidate for City Council, gave his vision for the community and asked for your vote.

APPROVAL OF FEBRUARY 4, 2025 HOA Minutes: There were no additions or corrections. Tish Michelson made a motion to approve the minutes, seconded by Ron Von Rapacki. Minutes approved.

TREASURER'S REPORT AND APPROVAL FOR FEBRUARY 2025: Copies of the report were on the tables. The motion to approve the Treasurer's report was made by Laura Grogan, seconded by Marge Hackbart. No discussion. The motion passed.

RESIDENT'S COMMENTS OR QUESTIONS: Denny said that there were rumors going around that Sun was going bankrupt. Their stock is down, but the rumors are not true. Marge Hackbart stated it was all over FB about golf carts being driven on the sidewalks. She said that issue needs to be addressed. Tom White said if the sidewalk is five feet wide, it's legal to drive on the sidewalks. Ed Fisher commented on the north pond being disgusting. Denny stated there are fountains for both the north and south pond, which should be installed in the near future. Elsie Hayrabedian said they were not going to put a fountain in the north pond. They have two aerators. Denny said that information has now changed. Tom White read information regarding the propulsion system.

COMMITTEE REPORTS:

Homeowners Committee: Denny reported that the Board, in the next couple of months, is going to select individuals to serve on the committee. They try not to have Board members. If you're interested, please attend the next Board meeting.

Membership Committee: Bob LaCob reported we have 127 paid members.

New Residents: Sue White introduced three new residents.

FMO: Ken Rausch said there's an initiative to help those residents who are having trouble paying their rent. Contact your representative. It's House Bill 710. He's attending an online Learning Academy on Legislative Process. There are currently 39 FMO members in the park. Denny suggested residents contribute to the FMO, as it may have more effect on your living than any of the political candidates you may make contributions to.

Social Committee: Laura Grogan gave a shout out to those who supported the Hacienda 500. See the Newsletter for upcoming events. We're going to start having assigned seating at the events.

Sunshine Committee: Gregg Allen reported for Mary Heasley. Get well cards were sent to Cheryl Bryant, Gene Montano, Linda Bennett, Dave Dunn, Nancy Webb, Muriel Healy, Sheila Crawford and Mike Tamilio. A sympathy card was sent for Peter Hines.

Newsletter: Gregg Allen said he did this month's newsletter as he was busy working and couldn't get together with Carole Brasfield. He will be working with her to get her transitioned. Her email address will remain the same as the one Gregg has been using.

Website: Steve Kenworthy echoed what Laura Grogan said about checking the Newsletter.

Hacienda Care Center: Sue White asked that you contact the Care Center if you need something. John Meyer and Mike Mickelson will meet to get the air conditioners, which were bought by Sun, installed.

OLD BUSINESS:

Newsletter: See above regarding Carole Brasfield's email address for the Newsletter.

How can we increase membership and HOA attendance?: Based on Denny's request in the Newsletter, he received an email which was a complaint from a resident who had attended two parties and did not like the food. They haven't attended any event since. Elsie Hayrabedian said she reached out to several people, and the reason they didn't attend the HOA meetings was because it was at 6:00pm, which was their dinner hour. She asked if the Board would consider moving the time back to 7:00pm. Denny asked the audience if they wanted to change the time, and the response was overwhelming to leave the time at 6:00pm.

Homeowner's Committee: Volunteers to represent the HOA with Sun: See above.

Tish Michelson reported she is not taking anymore changes to the directory. She's hoping it will be here the second week of April. Any changes will be in next year's directory. Diane Smith questioned how residents could get the directory if they weren't here. Tish asked that they contact her.
